Dear Members & Guests,

**Re: Alberta Expropriation Association – 17th Annual Fall Conference
September 30th to October 2nd, 2004**

You are cordially invited to attend the Annual Fall Conference and General Meeting of the Alberta Expropriation Association, which will take place in Canmore, Alberta. The location has proved a popular one over the past few years, and we are looking forward once again to a gathering of minds to discuss a variety of real estate related matters of interest. Of course, there will be recreational activities that will take advantage of the location.

The conference begins with a reception the evening of Thursday, September 30th, and speakers are booked for the day on Friday, as well as the morning of Saturday, October 2nd. We're currently in the process of working out the details on the Saturday afternoon recreational activities, and will provide you with an update as soon as we can.

Our keynote speakers this year will be Frank Sperduti and Stephen Waque, both from Borden Ladner Gervais in Toronto, Ontario. Frank and Stephen will be discussing a couple of issues including the greenbelt approach in protecting lands for public use, applying their experience in the context of developments in Alberta. Other confirmed topics include a Case Law Update, the Wetlands Policy, Incidental Damages on Partial Takings, Calculations of Business Damages, and the Art of Negotiation.

Attached is the conference registration form. Please return the completed form, along with your payment to my attention at The City of Calgary, by September 10th, 2004. Accommodation at the Canmore Radisson must be booked by September 5th, to take advantage of the group rates. Be sure to tell them you are with the Alberta Expropriation Association. Confirmation of registration will be sent to you via email, or regular mail, if you'd prefer.

Reservations for accommodation can be made by calling the Radisson Hotel & Conference Centre at (403) 678-3625. The hotel is located at 511 Bow Valley Trail, Canmore, Alberta T1W 1N7.

Should you require any more information, please do not hesitate to contact me on my direct line: (403) 268-2265, or by email at ebjornson@calgary.ca.

The conference in past years has been a great success, and we're looking forward to another round of interesting topics and enthusiastic discussions. See you in Canmore this fall!!

Regards,
