

1998 Fall Seminar

Introduction

The British Columbia Expropriation Association is pleased to announce the details of its 1998 Fall Seminar. Once again, with the help of suggestions from you, the members, we have assembled an impressive programme of speakers who will be addressing the latest issues in the field of expropriation. There will be thought-provoking presentations and ample opportunity for questions from the floor. This professional development seminar is of primary importance to anyone working in this field, not only for its educational value, but also for the opportunity it provides for us to meet with each other in a collegial environment.
